Initial List of ARRA Proposed Projects

Total Points	Community	Project Description	Construction Start 2009	Approx. Total Project Cost	Co-Funded from non-DEP Sources	DEP ARRA Funding	Principle Forgiveness %
With a \$3,000,000 per applicant cap in place, the projects below in highlighted rows will tentatively receive DEP ARRA funding offers.							
79.7	Oakland	Sewer - Pump station and force main to Waterville	June	\$7,500,000	\$3,800,000	\$3,000,000	58.6
63.2	Machias	Facility - Wastewater treatment plant upgrade	Nov	\$2,415,000	\$500,000	\$1,915,000	62.0
63.0	South Portland/Cumberland and CSWCD	NPS - Long Creek NPS	June	\$2,095,000		\$2,095,000	27.7
60.0	Ellsworth	Facility - PS @ old WWTF & Force Main	July	\$2,745,000	\$1,245,000	\$1,500,000	40.3
60.0	Ellsworth	Facility - Outfall Diffuser, 4800lf piping	July	\$1,145,000	\$1,145,000		
56.4	Bangor	NPS - Birch Stream Storm Water Management	July	\$1,690,000		\$1,690,000	50.6
54.5	Bangor	NPS - Street Sweeper and in-stream monitoring equipment	May	\$270,000		\$270,000	50.6
53.7	Portland	CSO - Clifton Street	Mar	\$2,980,144		\$2,980,144	36.2
52.7	Bangor	NPS - Penjajawoc Stream Storm Water Management	Sept	\$877,000		\$877,000	50.6
52.4	Portland	CSO - Ray Street Sewer Separation	Mar	\$2,013,000			
50.5	Portland	CSO - Sewer separation to reduce CSOs (Burnham-Marston)	May	\$822,800			
50.5	Portland	CSO - Forest Ave	May	\$2,013,013			
50.1	Auburn S.D.	CSO - Perryville Sewer Separation	April	\$2,345,000		\$2,345,000	29.4
49.9	Limestone Water & Sewer District	Facility -Wastewater Treatment Facility Upgrade (Contract No. 3) - Replacement of existing treatment plant equipment with new equipment.	June	\$5,375,000	\$2,875,000	\$2,500,000	100.0
49.5	Biddeford	CSO - Elm Street Sewer Separation	June	\$2,040,000		\$2,040,000	78.5
49.5	Portland	CSO - Sewer separation to reduce CSOs (Berry-Chesley)	June	\$2,633,455

Initial List of ARRA Proposed Projects

Total Points	Community	Project Description	Construction Start 2009	Approx. Total Project Cost	Co-Funded from non-DEP Sources	DEP ARRA Funding	Principle Forgiveness %
49.4	Limestone Water & Sewer District	Sewer - Wastewater Transport System (Contracts No. 1 & 2) - Construction of 2 new submersible pump stations & 30,500 linear feet of new force main/gravity sewers to LDS's water treatment facility.	May	\$4,396,000			
49.4	Fairfield	CSO - Sewer separation to reduce CSOs	July	\$892,000		\$892,000	23.6
48.3	Portland	CSO - Sewer separation to reduce CSOs (Wellington-Glecker-Canco)	July	\$2,045,200			
48.2	Bath	CSO -Aspen Lane Storm Water Separation	June	\$72,500		\$72,500	27.7
47.9	Biddeford	CSO - Ray Street Sewer Separation	June	\$249,900		\$249,900	78.5
47.9	Biddeford	CSO - Pool Street Sewer Separation	June	\$273,400		\$273,400	78.5
47.9	Biddeford	CSO -Cleaves street Sewer Separation - separation of 500 linear feet of sewers	June	\$318,500		\$318,500	78.5
47.9	Loring Development Authority	Sewer - replacement work - replacement of 40,000 linear feet of vitrified clay pipe and services & disconnection of roof drains. Project will reduce 50% +/- of I/I into the collection system	June	\$2,150,000	\$1,290,000	\$860,000	47.1
47.7	Biddeford	CSO - Green Street Sewer Separation	June	\$430,500			
47.4	Lewiston	CSO - Storage conduit	Aug	\$1,252,000		\$1,252,000	31.5
46.9	Limestone Water & Sewer District	Sewer - Phase III Replacement Sewers - Replacement of 8300 lf of existing sewers and services to reduce I/I into collection system	July	\$1,800,000			
46.8	Brewer	CSO - Jefferson St. Sewer rehab to reduce CSOs	Aug	\$740,000		\$740,000	54.6
46.8	Winterport	CSO - Master Plan -Sewer rehab	Aug	\$1,865,000		\$1,865,000	63.6
46.6	Belfast	CSO - Influent Pump Replacement & Disinfection increase	July	\$3,035,000		\$1,387,884	75.3
The projects below did not rate high enough to qualify for DEP ARRA funding offers. These are being considered as alternates in the order of total points.							
45.8	South Portland	CSO - Long Creek Pump Station upgrade to reduce CSOs consistent with Draft CSO Master Plan update.	Oct	\$5,000,000

Initial List of ARRA Proposed Projects

Total Points	Community	Project Description	Construction Start 2009	Approx. Total Project Cost	Co-Funded from non-DEP Sources	DEP ARRA Funding	Principle Forgiveness %
45.5	Mechanic Falls S.D.	CSO - Sewer rehab to reduce CSOs	Aug	\$1,590,000			
45.4	Bar Harbor	CSO - Woodbury Park Sewer Reconstruction	July	\$369,000			
45.2	Biddeford	CSO - Orchard Street Sewer Separation - Separation of 770 linear feet of sewers	Aug	\$369,800			
45.1	Belfast	CSO - Sewer Replacement	July	\$3,035,000			
44.8	Richmond UD	Sewer - rehab 7,850lf	Aug	\$1,296,952			
44.1	Winslow	CSO - Sewer rehab to reduce CSOs	Aug	\$691,500			
44.0	Biddeford	CSO - Route 1 Phase 1	Sept	\$706,700			
43.9	Limestone Water & Sewer District	Facility - WWTF outfall pipe to Aroostook River - Construction of new outfall pipe & pump station to Aroostook River via CUD outfall pipe.	June	\$7,000,000			
41.6	Rockland	CSO - South End CSO Separation	July	\$12,000,000			
41.6	Limestone Water & Sewer District	PS -Wastewater Transport system (Phase II) - Construction of pretreatment.	June	\$300,000			
40.7	Bar Harbor	CSO - West St CSO PS & Swirl Concentrator	Dec	\$7,200,000			
40.3	Windham	NPS - CB Cleaning Truck	May	\$258,440			
39.4	Passamaquoddy Water District	Facility - Waste Discharge Elimination by retreatment through the Portable water treatment plant	June	\$351,000			
38.4	Islesboro	Facility - Replacement Outfall	July	\$590,000			
37.4	Rockport	New PS for boat transfers	Aug	\$143,000			
36.9	Howland	Sewer - Replacement of force main river crossing	June	\$253,000			
36.2	Augusta Utility District	Facility - disinfection upgrade Primary & Secondary, grit system, and flow control to the WWTF	June	\$2,000,000			
35.9	Limestone Water & Sewer District	Sewer - Phase IV Sewers - Replacement of 5700 lf of existing sewers and services to reduce I/I into collection system	July	\$1,100,000			
35.4	Calais	Facility -Wastewater treatment plant upgrade	Nov	\$1,723,000			
34.7	Saco	Facility - Process building	June	\$4,445,000			
34.5	Old Orchard Beach	Sea view and Ocean Sewer Replacement - replacement of 5000 linear feet of sewer.	May	\$935,000			

D R A F T  
Initial List of ARRA Proposed Projects

Total Points	Community	Project Description	Construction Start 2009	Approx. Total Project Cost	Co-Funded from non-DEP Sources	DEP ARRA Funding	Principle Forgiveness %
33.6	Old Orchard Beach	Summit Street Cross Country Sewer - 4000 linear feet of new cross country sewer to eliminate need for pump station.	June	\$930,000			
32.2	Scarborough Sanitary District	Sewer - Heritage Acres Subdivision Area	Aug	\$2,378,833			
The projects below did not mathematically rate high enough in base points to qualify for DEP ARRA funding offers. The points shown are base points only.							
20.9	Portland Water District	Sewer - Portland tide flex gate	Oct	\$75,000			
20.1	Berwick Sewer District	Facility - New aeration & dewatering improvements		\$1,000,000			
19.2	Northport Village Corp.	Facility - New outfall and disinfection improvements		\$600,000			
18.7	Blue Hill	Sewer - Tenney Hill Road, Mines Road, South Street	May	\$1,910,000	\$1,910,000		
17.7	Augusta Utility District	Facility - Aeration Tank Upgrade -High Purity Oxygen System	June	\$790,000			
16.6	South Berwick Sewer District	PS - Beaverdam Pump Station		\$720,000			
16.5	Fort Kent	PS - Main & Ft. Kent Village pump stations - replace existing high head pump at main pump station & eliminate emergency bypass line to Fish River. Construction of new intermediate pump station on Ft. Kent Village Rd. Project includes relocation of existing maintenance garage from within flood plan to new location.		\$3,500,000			
16.0	Bath	PS -Harward Street PS Force main Replacement		\$800,000			
16.0	Bucksport	Sewer - Franklin & First St. ~900 linear feet, plus services.		\$200,000			
16.0	Caribou Utilities District	Sewer - Replacement Program (50,000 linear feet) to reduce I/I. Project would be conducted in multiple phases over several years		\$4,000,000			
16.0	Mapleton	Sewer - System Improvements		\$1,030,000			
16.0	Mexico Sewerage District	Sewer - Manhole Rehabilitation Project - Rehabilitation of 35 sewer manholes along floodplain to address I/I issues. New watertight covers and chimney seals.		\$60,750			

D R A F T  
Initial List of ARRA Proposed Projects

Total Points	Community	Project Description	Construction Start 2009	Approx. Total Project Cost	Co-Funded from non-DEP Sources	DEP ARRA Funding	Principle Forgiveness %
16.0	Mount Desert	Facility - Northeast Harbor plant upgrade		\$3,200,000			
16.0	Newport Sanitary District	Sewer - Sanitary sewer system upgrade		\$1,990,000			
16.0	Orland	Bridge Crossing		\$79,370			
16.0	Pittsfield	Sewer - System Improvements		\$3,690,000			
16.0	Portland Water District	Facility - Cape South WWTF		\$2,500,000			
16.0	Portland Water District	Sewer - NE force main replacement		\$900,000			
16.0	Rumford	Sewer - Hancock Street Reconstruction		\$483,050			
16.0	Saint Agatha	Facility - WWTP Upgrade		\$3,195,000			
16.0	South Berwick Sewer District	Sewer -Drury Lane Sewer Improvements		\$58,000			
16.0	Wells Sanitary District	Sewer - Preble Street Interceptor (designed 15 yrs ago)(Dennis called)Mid 60's homes, failing septic systems		\$1,500,000			
14.6	Ogunquit Sewer District	Sewer - System Improvement, I/I Reduction - Kingfield Ave, pump station #2 sewer, Marginal Way, Bay view Way - Route 1, Cottage St., Shore Rd., Frazier Pasture Rd., Berwick Rd., Ledge Rd.	June	\$1,100,000			
13.0	Augusta Utility District	Facility - Sludge Dewatering		\$1,900,000			
13.0	Augusta Utility District	Sewer - Trunk line gravity sewer to replace PS		\$2,650,000			
13.0	Benton	PS - Andrea Ave PS replacement		\$40,000			
13.0	Biddeford	Facility - Micro-turbine		\$48,500			
13.0	Biddeford	Facility - heat pump		\$131,200			
13.0	Biddeford	PS - Energy Upgrades		\$135,800			
13.0	Brunswick Sewer District	Facility - Energy Saving Equipment (Natural Gas Service Installation, Heating Boiler Replacement, Water Heating Improvements, Solar Water Heating Panels, Plant lighting & controls)		\$297,724			
13.0	Freeport	Facility - Energy efficiency Improvements		\$574,640			
13.0	Kennebunk Sewer District	Facility -Dewatering upgrade		\$900,000			
13.0	Norway	Facility - Install 2 Solar Bee aerators energy savings component: \$96,910		\$112,080			

D R A F T  
Initial List of ARRA Proposed Projects

Total Points	Community	Project Description	Construction Start 2009	Approx. Total Project Cost	Co-Funded from non-DEP Sources	DEP ARRA Funding	Principle Forgiveness %
13.0	Old Orchard Beach	Facility - WWTF aeration tank modification by partitioning tank to cut winter aeration by 3/4. Energy savings component: \$400,000.		\$415,000			
13.0	Portland Water District	Facility - East End WWTF HVAC upgrade		\$200,000			
13.0	Portland Water District	Facility - Westbrook WWTF HVAC upgrade		\$120,000			
13.0	Portland Water District	PS - Ledge Lane pump station		\$30,000			
13.0	Portland Water District	Facility - East End WWTF P.V. solar project(needs 75%grant for payback, according to PWD)		\$750,000			
13.0	Portland Water District	Facility - Westbrook WWTF P.V. solar project(needs 75%grant for payback, according to PWD)		\$1,361,000			
13.0	Rockport	PS -Harbor view PS Upgrade		\$55,000			
12.0	Baileyville	Facility - High Flow storage tank		\$1,500,000			
12.0	Jay	Sewer - rehabilitation joint construction with DOT		\$685,000			
12.0	Kittery	Sewer - rehabilitation - install 10,508 lf of sewer pipe lining to correct I/I		\$1,450,000			
11.7	Wells Sanitary District	Facility - WWTF Improvements - Tank room ventilation/energy efficiency, fuel use reduction - process air balancing improvements (mo valves, instruments), Energy Saving ~\$130,000		\$223,500			
11.7	Dover-Foxcroft	Facility - Lagoon Aeration Upgrades - replacement of surface aerator units with diffused air system at three lagoons. New blower building, PD blowers, VFDs, PLC and piping		\$660,000			
11.6	Guilford-Sangerville SD	Facility - New aeration system & sludge removal from lagoon.		\$600,000			
11.3	Orono	Facility - POTW, Heat exchange equip't, solar panel, equip't electrical, HVAC		\$360,000			
10.8	Bingham	Sewer - South End Interceptor & P.S.		\$1,320,840			
10.7	Limestone Water & Sewer District	Facility - Phase II Wastewater Treatment Facility Upgrade - Additional Improvements as identified in Phase II PD Report such as building renovations, energy efficiencies, new clarifier domes, underground electrical distribution service.		\$2,200,000			

D R A F T  
Initial List of ARRA Proposed Projects

Total Points	Community	Project Description	Construction Start 2009	Approx. Total Project Cost	Co-Funded from non-DEP Sources	DEP ARRA Funding	Principle Forgiveness %
10.6	Old Orchard Beach	Facility - WWTF Improvements -process modification, dewatering building upgrades, lab renovation energy improvements. Energy savings component: \$3,000,000		\$15,000,000			
10.6	Kennebec Sanitary Treatment District	Facility - Aeration improvements & blowers, WAS thickening, gravity thickening		\$3,707,000			
10.5	Gardiner	PS - South Gardiner Pump Station Upgrade.		\$300,000			
10.5	Dexter Utility District	Facility - WWTF Aeration System Upgrade and Lagoon Sludge Cleanout/ Pump Station Upgrades		\$1,536,000			
10.4	Falmouth	PS - Mill Creek pump station upgrade		\$1,500,000			
10.3	Rockland	Facility - Phase II PCF CIP (-12 projects)		\$3,300,000			
10.2	Sanford Sewerage District	PS - Goodall Pump Station Upgrade - comprehensive upgrade of 50 year old pump station (1000 gpm)		\$1,000,000			
10.0	Bangor	Facility - Emergency generator & peak shaving gas generator		\$2,400,000			
10.0	Bangor	PS -Perry Rd. pump station upgrade		\$350,000			
10.0	Bangor	Facility -Bio-tower media		\$1,750,000			
10.0	Bath	PS -Hyde Park PS Upgrade -Force Main		\$379,000			
10.0	Bath	Sewer - Farrin Place Force main		\$110,000			
10.0	Berwick Sewer District	PS - School Street PS Improvements		\$600,000			
10.0	Berwick Sewer District	Facility -WWTF Improvements - Replace Square Clarifier w/ Circular Clarifier		\$500,000			
10.0	Brewer	Facility - Septage Receiving station		\$765,000			
10.0	Brunswick Sewer District	Sewer - Replacement		\$742,079			
10.0	Brunswick Sewer District	Facility - Treatment Plant Upgrades - Equip't Storage Bldg		\$383,606			
10.0	Camden	Sewer - Spring Street Sewer		\$100,000			
10.0	Canton	PS - Replace existing wet well pumps - Main and Virgin Street PS's		\$96,800			
10.0	Clinton Water District	Facility -Equipment Upgrade (new tractor for mowing lagoons)		\$35,000			
10.0	Farmington	Sewer - Lincoln St. Cross Country Main Upgrade		\$1,565,000			
10.0	Gardiner	Facility - WWTF roof replacement		\$400,000
